

# WE LOVE TO PRAY!!

God is only a  
prayer away!

*Make a bulletin board entitled "When Should We Pray?" Have the children cut out pictures from magazines depicting times and places when people could pray. Let each child tell about his or her picture and then attach them to the board.*

## When Should We Pray?

"Thank you for this turkey and dressing which you have provided, and the broccoli which the devil has slipped in."

**Creation Prayer** – Let the children suggest their own lists of favorite things God has made in addition to the ones mentioned in the prayer below.

Father, I praise You for what You have made -  
Hot summer sun and trees to give shade,  
Puppies and guppies, and babies that laugh,  
Strawberries and cherries, and speckled giraffes,  
Snowflakes and lightning, and rivers and seas,  
Fathers and mothers and big families,  
Fingers and toes and colorful flowers,  
Moonlight and starlight and warm summer showers,  
Summer and spring, and winter and fall -  
Thank You, dear Lord, for making them all.
