They Did Not!

We Must!

Israel has rejected the good; the enemy will pursue him. They have set up kings, but not by Me; they have appointed princes, but I did not know it, Hosea 8:4. This verse is only one of many condemnations communicated by God to the children of Israel. God's people possessed an ungodly heart and mind. When it came time for national decisions, they failed to inquire of God.

Today, the Brownsburg family will ordain additional elders. We must make sure that God is at the foundation and the heart of our decision. When we include God in our decisions, we will be blessed, and most importantly, God will be glorified.

Over the last three months, we have regularly petitioned God for His help and guidance in this process. Let's continue to invite God to participate in our work. He will go to work in ways that will amaze us. Let us move in faith! We must solicit God for help with our spiritual needs, spiritual growth, and spiritual development.

When we include God in our decisions, we will be blessed, and most importantly, God will be glorified.

As we continue in our work, pray regularly for our congregation. Praise God for His spiritual blessings He has given us. Thank Him for the privileges we enjoy as His people. Seek His guidance as you live day by day.

As you think of our eldership, pray that God will guide their hearts in the decisions they make. Seek God's help in encouraging and upholding the wives of the men who serve. Pray for insight in how to avoid creating pain and grief for these brothers and sisters. Dedicate yourself to using this occasion to help our family move to a higher level of love and caring. Pray for God's assistance in moving us to be a people who genuinely reflect the love and compassion of Jesus. Finally, let each of us pray that God will help the choices we make here today to advance His purposes.
